

Faculty of Data Science in Business Welcomes New Students at HUB

On September 27, 2026, the Faculty of Data Science in Business (FDSB) held a welcome gathering for new students at Room HT10, Building B2, Thu Duc Campus. The event brought together approximately 200 students and provided an opportunity to learn about the FDSB, its academic program and student activities.

New students attend the welcome gathering at Thu Duc Campus

The gathering opened in a welcoming atmosphere as the FDSB's lecturers and staff greeted the new students. In his opening remarks, Assoc. Prof. Dr. Nguyen Minh Hai, Dean of the FDSB, formally welcomed the incoming cohort and introduced the FDSB. He encouraged the students to embrace the opportunities ahead and take an active part in their new academic community.
